I colori caldi e tenui di queste pietre, con i segni che il tempo e prestigiose dando agli ambienti un carattere deciso e ricercato.

It is from reclaimed limestones used in historical châteaux and churches in this ancient region of Southern France that Silceramiche draws the inspiration for the Languedoc collection. The warm and soft colours of these stones, with the tracks that time left on them, evoke cosy and prestigious atmospheres giving the spaces a strong and fancy character.

C'est aux pierres utilisées pour les sols de châteaux et églises historiques de cette ancienne région du Sud de la France que Silceramiche s'est inspiré pour la collection Languedoc. Les couleurs chaudes et calmes de ces pierres, avec les marques créées par le temps, évoquent des atmosphères confortables et prestigieuses en donnant aux espaces un caractère fort et chic au même temps.
